JUNE 2026

Innovation at Work:

Allied Vision Partners Meeting

RMA Electronics recently attended the Allied Vision Partners Meeting in Austin, Texas - where industry collaboration, innovation, and networking were on the agenda. The team also took part in an Austin taco tour by bus, sampling some of the city's finest taco spots along the way.

New Lenses from Azure Photonics

Azure has expanded its lineup of ultra-wide and fisheye lenses with three new options designed for machine vision and industrial imaging applications. Whether you're maximizing field of view in tight spaces or capturing an entire scene with

New Super-Low Light Camera By KOWA

The Kowa KC200SB1CX is now available in our online store - delivering exceptional low-light performance in an ultra-compact design. Built for demanding surveillance applications where clarity and space both matter.
